### HOW TO USE THIS ORGANIZER

+ Suggestion: Download or copy 11 additional organizers to cover the entire year.
+ Name the month and number the days.
+ Write in appointments & other events you have scheduled for the month.
+ Complete your to-do list. Place check-marks for priority items. Check off items as you complete tasks. Use the other side of the page if you need more to-do list space. Remember to carry incomplete items to next month's to-do list.
+ Punch holes at top and place in your binder.
